

Women's Career Empowerment Group

Calling all women, check out this unique group for Ohio State female graduate students, created by April Cunningham and Allison Plunkett of Career Connection.

The purpose of this Career Empowerment Group is to bring together female graduate and professional students to:

- Discuss the unique obstacles, both internal and external, experienced by women in the workplace and during the job search
- Hear from successful professional women in the community about how they overcame obstacles in their careers and their specific tips for success
- Design a personalized action plan to reach the next steps in your career path based on formal and informal assessments
